

WELCOME TO YOUR PARENT TEACHER ORGANIZATION!

We are a diverse group of parents, teachers, and community members excited about the future of kids at Madison Elementary. Join us and help make a difference in hundreds of lives – including the one’s closest to your heart.

At this stage in your child’s life, it is more important than ever to stay involved in their education. When parents are more involved, it has been proven that grades improve and there are fewer discipline problems at home and school.

We provide an excellent opportunity for parents to meet one another and get familiar with the school and its staff. Plus we have a lot of fun in the process!
